- ✓ *Do you feel nudged to explore the esoteric?*
- ✓ *Are you an energy worker, Reiki Practitioner, LMT or maybe an MD?*
- ✓ *Do you love crystals, colors, herbs, and music?*
- ✓ *Or, do you feel the medicine wheel & earth grids calling you?*

### **If so, what are you nudged to use for tools of your trade?**

In this one-day workshop we will discuss intuition, different types of energetic tools to add to your personal toolbox and why it is important to listen to the calling of your natural abilities. We will talk about tools to ground and balance the healer and how to clear & avoid energetic hooks in everyday life and social media. The goal is to connect the dots, give you the confidence to go forth using these tools for yourself and your clients. We will speak on the tools that can be potentially unsafe or harmful to use in your practice, the importance of working with your benevolent ones on the other side and knowing your spiritual boundaries and expanding comfort zone. Amy will discuss her personal journey and experience with a Q&A to follow workshop. All you need is a pen and note paper.

Lunch will be included.

Discounted lodging with continental breakfast is available for this workshop by calling 297-505-5231 for reservations in advance.
