About Dominic Boag

Dominic Boag is one of the Scotland's finest Psychic Mediums. Dominic has been taking his events to audiences across Scotland & America. Dominic is a firm believer in holistic and mental wellbeing and has his own spiritual center The Voice of Spirit Holistic Centre where his aim is to provide the missing link between you and your loved ones. "I live the dream helping form the missing link between you and your loved ones".

Some History: Suddenly after the loss of his father Dominic started hearing voices of his late father and also voices of others. After a few weeks of his dad passing away and hearing these voices Dominic was taken in and mentored by a local medium who help him gain a better understanding of this new amazing gift. Every teenager can't wait to turn 18 but for Dominic he was hit with the devastating news he was going blind with a rare condition within weeks his eye sight was limited. Dominic was a normal teenager who dreamed of being a policeman before a rare disease which affected his nerves almost wiped out his vision. But after becoming almost blind, he found he had developed a "sixth sense". Dominic's gift became more heightened and became stronger and stronger and now Dominic travels across the world sharing his talent and teaching his understanding of spirit.
